SUMMARY OF THE REASONS FOR DECISION:

The magazine *Private 176* is classified as:

Objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years.

The publication is a glossy, colour magazine dominated by photo spreads containing explicit images of individual women, or a pair of women, engaged in sexual activity with individual men, or two men. The manner of the presentation of the women in the publication moderately degrades and demeans them, and degrades and demeans women generally. The objectification of men in the publication also dehumanises men generally.

A restriction on the availability of the publication to an adult audience is considered sufficient to prevent injury to the public good resulting from the publication's explicit sexual content.
